aa : Keeping the Cutting Edge: Setting and Sharpening Hand and Power Saws by Payson, Harold H. published by Wooden Boat Publications (1988) Paperback before purchasing it in order to gage whether or not it would be worth my time, and all praised Keeping the Cutting Edge: Setting and Sharpening Hand and Power Saws by Payson, Harold H. published by Wooden Boat Publications (1988) Paperback:

0 of 0 people found the following review helpful. A great book on a nearly forgotten topicBy BigGreenThe use of handsaws and the care of them is slowly disappearing. For the next generation, books like these are needed.I loved this book for the explanation of different saws and how to care for them. It even had a section on chain saws. Nice primer.1 of 1 people found the following review helpful. Very happy with the purchase.By MatthewVery happy with the purchase.0 of 0 people found the following review helpful. Pretty good.By SWIt's not the best, but it is informative.
