**James U. Crockett : Lawns and Ground Covers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawns and Ground Covers:

1 of 1 people found the following review helpful. JJ's ReviewBy Missy JustviewingThis book was purchased as a substitute for a library book that was lost by my niece. It was accepted by the library after they turned down two other books that I tried to replace the lost book with. It was a lot cheaper to purchase and give the library the book than it would be to pay the library fine. Nice to know that there was an alternative through .0 of 1 people found the following review helpful. CuteBy JDCute little Golden Book which illustrates the movie Lady and Tramp scene by scene. My daughter has never seen Lady and the Tramp but she has a gigantic plush Lady which was a gift. I decided to buy this to introduce her to Lady and the Tramp before showing her the movie. She loves the book!2 of 3 people found the following review helpful. Lady and the Tramp (Little Golden Book)By nanasmymyThis is a great book for kids of all ages. I'm still enjoying buying and reading this book and all the other (Little Golden Books) for my grandchildren. I don't know a child that dosen't like reading about dogs, or having a book read to them. These are great books and I recommend them to everyone who is looking for books for their children or grandchildren, even if the children aren't related to you what great gifts these books are!!! Great Books!!! Buy Some Now!!!!!!
