Randall Whitehead : Lighting Design Sourcebook: 600 Solutions for Residential and Commercial Spaces before purchasing it in order to gage whether or not it would be worth my time, and all praised Lighting Design Sourcebook: 600 Solutions for Residential and Commercial Spaces:

An illustrated sourcebook for professional designers providing ideas and inspiration for lighting design concepts for residential and commercial spaces, including offices, stores and restaurants. Over 600 examples of lighting solutions are used accompanied by captions discussing the design concept and the materials used, and schematics are provided

to offer insight into a range of lighting techniques.
