**Rebecca Sawyer-Fay : Living With Folk Art (Country Living)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Living With Folk Art (Country Living):

0 of 0 people found the following review helpful. A Definite MUST for anyone interested in Folk ArtBy DeborahThis is a fabulous book with photos galore. It would stimulate anyone to exploring Folk Art in greater depth. I simply love this book and recommend it to anyone.

Showcasing one-of-a-kind pieces and extraordinary collections displayed throughout the home, a book of folk art reflects the individualistic American character and includes weather vanes, duck decoys, baskets, advertising arts, quilts, and painted furniture. 50,000 first printing.
