John Vaughan's photos continue to amazeBy A CustomerJohn Vaughan's book of photos of Los Angeles are always elegant, yet simplistic with perfect lighting and balance. Looking at the book, one can almost experience Los Angeles with its magnificent homes and scenery. Definitely recommended for anyone who loves interior design or just enjoying interesting architectural photographs.0 of 0 people found the following review helpful. Third time I've bought this bookBy Lily M.People keep borrowing this book from me and then not returning it, so that gives you an idea how valuable it is. Gorgeous photos and a wonderful mix of design styles.
