Lee Malone : Majesty of New Orleans (Majesty Architecture Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Majesty of New Orleans (Majesty Architecture Series):

0 of 0 people found the following review helpful. Great bookBy DBThis book is a must for a traveler. I wasn't real familiar with NO, this book brings our all the good spots to visit. Our interest in antebellum homes and gardens. This book sure is good in that regard. Photos and write ups are great.1 of 1 people found the following review helpful. PreKatrina New OrleansBy SuzieQueThis is a very good book about the old New Orleans. The photography is great and the prose is educational. I bought it because I'm decorating a new house with a New Orleans vibe (that's less than a theme). It was helpful in recalling the wonderful things about N. O. architecture and decorating. I especially enjoyed the segment on wrought iron art. It will remain a useful source for me; and, in the meantime, it's a great coffee table book.0 of 0 people found the following review helpful. Just what I wanted!By Kathy G.Our daughter is getting married (in New Orleans) and we are using this as her guest book. Her friends and family will be able to write notes to the newlyweds and it is a book that won't be put away never to be seen again!

A look at the architecture, courtyards and patios, ironwork, and cemeteries of New Orleans.

About the AuthorThe late Lee Malone was a native New Orleanian whose love for the plantation homes of Louisiana led her to devote untold hours preparing this book.Paul Malone, now deceased, was a critically acclaimed portrait photographer a master in his field. He was the past president of the Professional Photographers of Louisiana and former member of the Professional Photographers of America and the American Society of Photographers. Paul and his wife, Lee, also collaborated on Louisiana Plantation Homes: A Return to Splendor, The Majesty of the Felicianas, The Majesty of the Garden District, and The Majesty of the River Road, all published by Pelican.
