Kelly Norris : Plants with Style: A Plantsman's Choices for a Vibrant, 21st-Century Garden before purchasing it in order to gauge whether or not it would be worth my time, and all praised Plants with Style: A Plantsman's Choices for a Vibrant, 21st-Century Garden:

6 of 6 people found the following review helpful. delightfulBy Devra Goldbergi thought this book was wonderful, one of the most fun additions to my gardening library in years. while i agree with the other reviewer that the writing is of a completely different style than most gardening books - it is very stream-of-consciousness and conversational - to me those were features, not bugs. i thoroughly enjoyed the discussions of the plants selected for this book, because they are all plants that i've been wanting to learn more about or to add to my garden but haven't seen this kind of dedication to their praises and attributes before. really, my only complaint is that it would have been great to have even more photographs of combinations and in-situ plant setups, but, hey, that is why there is pinterest.0 of 0 people found the following review helpful. Beautiful Photos! Experienced Gardener Introduces Best 21st C. PerennialsBy AnnaMae MillerWell written, describing new plants in very descriptive terms. Use of adjectives is very creative. I've gardened

over 60 years trying to keep up with new developments of perennials and Kelly has added several to my must grow if I could only find them locally. He gives sources some I'm familiar with others I've sent for. I've been active in AIS, APS, No. Am. Lily Society, Am. Daffodils Society, Rock Garden Society so I have good knowledge of many genera of plants. Very up to date book a must have beautiful photos and interesting stories about his friends in perennials. 1 of 1 people found the following review helpful. Ideas for the Gardener By BIF Interesting read for the plant lover.

A love letter to plants that oozes enthusiasm. The English Garden Why settle for lackluster gardens filled with dull, ho-hum plants? In this spirited, provocative book, plant guru Kelly Norris calls for a garden revolution: out with the boring plants and in with the exciting newcomers that will make your jaw drop and your pulse quicken! A passionate horticulturist and lifelong gardener, Kelly is the ideal guide to the botanical riches available to today's gardeners. In chapters on environment, structure, seasonal standouts, and plant combinations he shines a spotlight on the A-list plants in every category plants that will thrive, not merely survive. Along the way, he shows you how to forge a personal style in harmony with your garden's setting and local environment. As Kelly puts it, A garden is the best way to savor life on earth. Let *Plants with Style* guide you to the plants that will provide a richer, more fulfilling connection between you and your own patch of soil.

The language of botany has never been so piquant as in Norris's lively guide to plants worth including in a modern garden. A unique book ideal for younger gardeners who don't have a lot else focused on their generation. The title will be inspirational to gardeners of all ages. *Library Journal* A love letter to plants. . . . oozes enthusiasm. The English Garden The book is both stylish and a well-organized manifesto full of wisdom. . . . brims with compelling plant ideas and recommendations along with beautiful photos. *Garden Rant* *Plants with Style* is Kelly Norris's paean to ecology-conscious, biodiversity-rich gardening with panache. . . . Norris is an engaging and erudite author, and *Plants With Style* is a richly inspiring addition to the gardeners bookshelf. *The American Gardener* This is a book to buy for the text. . . . [Norris comments on] the plants' flair, sassiness, kick-ass-garden qualities, and other inside information in his astute personal, and conversational style. *Country Gardens* Start the new year with no-fuss plants to refresh your garden this growing season. Along with inspirational photos and guidance in each chapter, plantsman and author Kelly Norris will explain how to incorporate your personal style into your own garden. *Garden Gate* Norris guides us away from boring plants and directly to vibrant, jaw-dropping, stylish plants. Its 2016, bring your garden into the 21st century! *Garden Design* Kelly is a fresh-faced young man with an unparalleled depth of plant knowledge who exudes a contagious love of the green industry. *Green Profit Magazine* What makes the book so engaging is the author's sense of humor as he explains what he loves and despises, too. Its done in such a way that you'll smile all the way through while learning precious information about varieties that, without Norris, would remain a mystery. *Pittsburgh Tribune-Shares* advice on design and tips on growing, but the best part is Norris' unbridled enthusiasm. *The Columbus Dispatch*
