**Shuko Kishida : Porzellanmalerei / A Touch of Lace** before purchasing it in order to gage whether or not it would be worth my time, and all praised Porzellanmalerei / A Touch of Lace:

2 of 2 people found the following review helpful. Capturing Lace DesignsBy Bertie DavidInteresting book with great ideas, good artist comments. Features lace designs, showing beginning layouts to the finished piece.Portraits, florals, animals or birds are painted on a plate or tile, then by adding a lace design on the edge one has created truly a beautiful treasure.3 of 3 people found the following review helpful. The best book I found about lacesBy Gabriela Bruna ZucarI admire the precision Mrs. Kishida has with laces.She explains in detail from the beginning how to do them.Very useful for who wishes to learn this technique.0 of 0 people found the following review helpful. China painters, these ideas will give your blue ribbon ...By Melanie C. DeHartChina painters, these ideas will give your blue ribbon piece an up-scale to champion rating. From Kishida's ideas you will just keep improving and enjoying what you can do with your piece.
