Roseville Pottery Company : Rozane Ware before purchasing it in order to gage whether or not it would be worth my time, and all praised Rozane Ware:

A beautiful and popular art pottery by Roseville, the Rozane line was conceived in 1904 to reproduce in art pottery fine oil paintings of soft and natural tints of nature. Using Ohio's golden, brown and yellow clays, the potters made lovely shaped vases with applied colored glazes in decorations of flowers with exquisite detail and delicacy. This book is a company brochure from 1905 that explains the making process and displays 70 color images of Rozane decoration with their identifying numbers. Included are the decoration variations: Rozane Royal, Rozane Mongol, Rozane Egypto, Rozane Mara, and Rozane Woodland.
