I would recommend any of Fred Ward books on gems 4 of 4 people found the following review helpful. Fascinating Stones By D. GRAY-RAUSEven though this is a very slim volume, the information it contains is second to none - very interesting. 10 of 11 people found the following review helpful. Excellent! By A Customer Fred Ward has a clear and concise writing style. This book is comprehensive, despite it's slender size. It is

stunningly illustrated, with fabulous photos of well-known, and ordinary, gemstones and objets d'art. A must for the fan of jewels and gemstones. I'm collecting all his books now.

This is the latest edition of Rubies Sapphires, part of the Fred Ward Gem Series, the world's most popular gem book series. The history and lore of both gems are covered with great examples in gorgeous color photographs. You will learn how to appreciate these fine gems and how to buy and care for them in your personal jewelry. This is a comprehensive coverage of two of the best-known and best-loved gems in the world.
