Sally Melville : Sally Melville Styles: A Unique and Elegant Approach to Your Yarn Collection before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sally Melville Styles: A Unique and Elegant Approach to Your Yarn Collection:

0 of 0 people found the following review helpful. Great and Typical Sally! By Beverly A Cone I love Sally Melville and am working at having all of her books. this is pretty different than some of her others, but very interesting. Highlights great creative ways to use your yarn stash. 0 of 0 people found the following review helpful. Five Stars By Laurent J. What a fabulous way with all her great patterns to use up your stack of left over yarns! 0 of 0 people found the following review helpful. Sally explains techniques and gives great tips for working smarter. By Carol M. This is such a creative author. Sally explains techniques and gives great tips for working smarter. A great idea and reference book. I love the projects shown. The jacket on the front is to die for.....challenging but beautiful

Provides techniques to help knitters make the most of their yarn collections.
