1 of 1 people found the following review helpful. Unique presentationBy K. KnappInteresting way to allow creativity to the folder. There is information of each Saint, with a photo of a statue and the folded representation. A section offers color choices and sizes of papers to complete a coordinated Saint. There are options for hair color and style, clothing parts, and even accessories. A unique and very useful presentation, with enough English for me.0 of 0 people

The 22 Saints presented in Chapter 1 were chosen among the most popular in Brazil. For the assembling, were used the Clothing Parts (there are 27) and Body Parts (there are 15) of Chapter 2 ; and to complement the representation, some of the Flowers, Animals and Adornments (there are 20) of Chapter 3. Each Saint represented is accompanied by a table with data for technical implementation which parts are used, measurements and the page where they can be found. The book is organized in a way that readers can freely compose Other Saints, Characters or Scenes, combining parts from Chapters 2 and 3. Chapter 4 has blank Tables for notes and photo collage of such future work. It also contains Saints for Coloring for a colors study. The book can be useful for activities involving forms, composition and proportions in the classroom. The Saints can be used in Home Decoration, Events or Ceremonies, Frames, Invitations, Cards, Bookmarks. The Book Home saint, folding with devotion. . . is an invitation to fold, daring and taking risks, as you meditate! On to folding! (Bilingual Edition)
