**Robert Schleicher : Scenery for Model Railroads, Dioramas, Miniatures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scenery for Model Railroads, Dioramas, Miniatures:

2 of 2 people found the following review helpful. Book on layout and diorama detailingBy Carlos VA book with detailed description of processes of dioramas and train layouts. The techniques are very accessible to new comers. I highly recommended this book for the person interested in the details of tree building, weathering, surface detailing like water or grasses among others.1 of 1 people found the following review helpful. Five StarsBy Jim SpiersGreat book. Bought it for my son who is just beginning scenery building.2 of 2 people found the following review helpful. The One Year Bible Premium Slimline LP NIVBy TomAfter checking this book out from our local library several times and renewing it each time i felt it is a resource that i want at my finger tips.
