Carol Zentgraf : Serger Sewing Basics before purchasing it in order to gage whether or not it would be worth my time, and all praised Serger Sewing Basics:

12 of 12 people found the following review helpful. Basic Serging By S.Markel The title says it all and this is a very good book to get the beginner up and going. The pictures are absolutely terrific. The photos of the stitches is essential to a beginner. A lot of thought must have gone into what to put in this book. This is now in my sewing room, right next to the sewing desk for easy reach! 4 of 4 people found the following review helpful. A great little book for people who own a serger. By Jiman I have found more uses for my serger in this book that I thought you can only do with a

sewing machine. I'm glad I took a peak to see what basic techniques I can learn and apply in my sewing projects. Glad I purchased this book. It also has projects in here that you can try. I have not tried them yet. I have a few ideas that I want to apply to a couple of projects I'm working on before I start something new. This proves that there is always something new to learn. 1 of 1 people found the following review helpful. Good book with some fun ideas By Donna Hill Good book with some fun ideas, but the author assumes you have some prior knowledge. I am using it in a class setting, and without some extra instruction, this wouldn't be that helpful.

Loaded with tips and hints for sewing success, this book demystifies the anatomy, setup, and use of a serger. Whether a neophyte to sewing or someone with years of experience, crafters can learn multiple stitches and decorative techniques from this comprehensive guide. By mastering stitches such as overlock, flatlock, rolled edge, and cover stitch; techniques such as quilting and heirloom; and the finer points of garment construction, sewers can quickly and efficiently delve into new creative sewing territory. Detailed instructions and step-by-step photos and illustrations accompany 13 delightful home decor projects for the kitchen, living room, and bedroom.
