**Michelle Foster : Sew Like Your Grandma: Using the Singer 66** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sew Like Your Grandma: Using the Singer 66:

9 of 9 people found the following review helpful. great for other types of treadle sewing machinesBy Bridget StrikerI own a Square Deal and the Singer 66 is very similar. My belt disintegrated several years ago and with these instructions I will be able to make a new belt and use my sewing machine again. This book has some great tips and is very easy to understand. I am excited to be able to use my Square Deal instead of it just being a pretty piece of furniture!5 of 5 people found the following review helpful. The Reliable 66By Kirk PerryBought this for my Aug. 2,

1929 Cabinet Model 66 we were gifted, along with a box of attachments that this book explains. I appreciate the original manual that came with the machine, but having literature on the 66, printed in January 2016 is a plus. Thanks! 4 of 4 people found the following review helpful. Excellent Book By Jan Davidson Husband bought the book for me. Just inherited a Treadle Singer Machine plus Cabinet. All my questions were answered by the author. Thank you Michelle. 9-18-2015

After you bring home a vintage sewing machine, what next? Learn how to clean up, restore, maintain and perform all the basic tasks you need to get up and running on one of the most popular models ever produced - the Singer 66. From simple tasks like oiling and threading to using attachments, this book has it covered. Don't be afraid to give a vintage machine a try!

About the Author Michelle has been sewing most of her life, thanks in large part to her mother. While her interest in all things vintage is recent her love of making things arose early on.
