Kajsa Kinsella : Sew Scandinavian: 35 stylish projects to stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised Sew Scandinavian: 35 stylish projects to stitch:

0 of 0 people found the following review helpful. Four StarsBy Nia BennettNot what I was looking for but a nice amount of Scandinavian projects to create.1 of 1 people found the following review helpful. Sew Wonderful!By elyse major, author/writerThis is a wonderful book for anyone who is smitten with Nordic style. The ideas are simple but fresh and the writing is just as enjoyable as the projects. A treat!

Scandinavian style is perennially popular due to its simplicity and elegance. In *Sew Scandinavian*, Kajsa Kinsella has created a collection of beautiful hand-stitched projects inspired by her Swedish childhood. For the home, there is a folklore flower pillow and a braided heart string and tassel decoration that will bring warmth to any interior. Handstitched accessories include a cool blue iPad cover and a stylish tote bag featuring a dala horse that will look great all year round. Kajsa has designed adorable projects for the nursery, including felt pets for small hands to squirrel away in decorated matchboxes, felt cinnamon buns that will spark hours of imaginative play, and a fun felt memory game for all the family. Finally, there are seasonal crafting ideas, such as a forest friends Christmas stocking and an eye-catching winter mobile to adorn your home. Each project is accompanied by step-by-step photographs and

clear instructions.

About the AuthorKajsa Kinsella grew up as part of a very creative family in Sweden. Today she makes beautiful handcrafted projects inspired by the Swedish values, memories, and traditions of her childhood. Kajsa contributes to a wealth of craft publications. Sew Scandinavian is her first book for CICO Books. Kajsa lives in Co. Wicklow, Ireland. You can find her at www.kjsakinsella.com
