This book takes care of that. It provides a number of patterns that the home sewer can adapt and adjust in various ways. You do need to know a bit about sewing to make them, but it isn't too tricky. These would also be a nice project for a girl who is learning to sew herself. Scraps from her projects can be used to dress the doll to match. A pattern to make a 6 1/2 inch doll is included, so you don't have to buy one. There are also neat patterns for shoes. (And, what girl doesn't need more shoes) I photo copy the patterns, rather than cutting them out of the book, but you can certainly do that. I just want to save the bother of

keeping track of all the little bits.....16 of 16 people found the following review helpful. I was glad to have somewhere to startBy capucineI bought this for American Girl Mini clothes. It works for them. I find the details American Girl put into the clothes that come on their mini dolls is missing, though. For example, one basic shift has a zipper up the back - big, clunky, very 'basic homemade' feeling.I was glad to have somewhere to start, although I wished it was nicer stuff to begin with. (I adapted the princess dress to have French seams and tiny snaps instead of velcro, a train, and sleeves with a lace inset, all simple to do.)One tip - try shrinking down patterns made for full size American Girl dolls, minis have the same proportions. It will expand your choices!11 of 11 people found the following review helpful. Finally a pattern book for the Mini American Girl dolls and other 6 1/2 dollsBy Pauline A. NissenThis well written pattern book has a sweet cloth doll and an entire wardrobe of patterns. The patterns also fit the Mini American Girl doll and other 6 1/2 inch dolls. The author provides many photos of the construction of each garment. A fine addition to any Doll semestress' library.

A new version of this book is available. This book is a collection of patterns for mini dolls (6" or 16.5 cm). The book includes full size patterns and detailed sewing instructions for the Twinkle cloth doll and her outfits. In addition to Twinkle, the outfits will fit American Girl Mini and other mini dolls. Measurements are given in both US and metric units. Most of the patterns match those found in Sherralyn's book Sewing for Large Dolls. The patterns in that book are for the 18" (46 cm) dolls such as American Girl dolls. The patterns include: Nightgown, Smock Top, and Two Tiered Skirt A-line Dress, Jacket, and Bloomers Pants, Shorts, Skirt, and T-shirt Ballgown and Classic Dress Shoes, Slippers, Sandals, Sneakers, and Boots Twinkle Cloth Mini Doll, Camisole, and Panties Sherralyn's Tools, Tips, and Techniques is included.

About the AuthorSherralyn St. Clair taught herself dollmaking by reading pattern guides, books, and magazines. When she began designing patterns, she found that her MA in Curriculum and Instruction helped her write pattern instructions. She has written several books and magazine articles on sewing for dolls.
