There are several sizes and they all overlap. That means tracing the size you want - had to purchase large roll of tracing paper in order to fully cover the pattern design. Not the end of the world, but still an added expense when using the patterns. 1 of 1 people found the following review helpful. I am so happy to bought this book By yani I am so happy to bought this book, its really easy to follow the steps, I made two dresses already n it's really cute. Can't wait to sew more of it... Thanks alot to make this in wnglish version. Can't wait for another book of her.. 0 of 0 people found the following review helpful. Five Stars By Kay Easy wearing and good easy

Sew cute and original clothes for your little angel with this easy-to-follow DIY sewing book. Yoshiko Tsukiori's sewing books provide elegant casual designs for women and children and have made her one of the most popular names in the sewyourself craze. In *Sewing for Your Girls*, Tsukiori has done it again, creating eight adorable and endlessly versatile new patterns for clothes that will delight every mother's budget and suit every little girl's personal style and body type. Tsukiori provides easy-to-follow instructions (in English) and shares the basic techniques for creating all the classic elements of little girls' clothes. Today's emerging legions of DIY mothers will discover how to make: A round collared shirt or tunic, a classic smocked sundress, overalls with plenty of pocket room, draw-string pants that fit beautifully, a shawl-collared dress or top, a gathered neckline shirt, tunic, or dress, a pretty dress with shoulder ruffles, a raglan top or dress. Add ruffles or bows, add tiers or pockets, add sleeves or go sleeveless—each of these garments can be embellished in endless variations to create literally hundreds of different styles. Tsukiori also guides readers on how to select carefree, pretty, and inexpensive fabrics that girls will love to wear every day! Imagination and creativity are the keys to dressing girls stylishly on a budget, and *Sewing for Your Girls* makes it easy to mix and match the basic components so that each piece is as unique as it is beautiful.

"I appreciated how the book explains very clearly how easy it is to take a basic pattern and alter it to create something quite different altogether! The mix and matching of patterns is a very valuable resource, as it can take the reader to the next level in terms of exploring their own creativity in pattern alteration." *Elegance Elephants blog* "[] a new Japanese Pattern Book for girls that I really love! It's called *Sewing For Your Girls*, and it's one of the best girls pattern book I've seen!
