Over the past three years slot cars have become one of the fastest-growing segments of the hobby industry. Slot cars have also become so fashionable they have received exposure in automotive and general interest magazines. The time is right for a meaty, loaded follow-up to the highly successful 2002 MBI release, Slot Car Bible. In this new title,

Bible author and Model Car Racing magazine publisher Robert Schleicher provides enthusiasts with more tips, tricks, and track plans for 1/32-scale and HO slot cars. This title will offer a wealth of tuning, maintenance, and driving technique information and will include chapters on snap-together raceways and building cars from kits. It will also have performance tests of new products and plans for creating NASCAR replica cars and tracks.

About the Author Robert Schleicher is a veteran hobby industry writer with dozens of books to his credit. His MBI titles include *The Big Book of Lionel*, *The Lionel FasTrack Book*, and *The Lionel Legend*, among others. He lives in Niwot, Colorado.
