0 of 0 people found the following review helpful. Total waste of time and money.By Kindle CustomerVery poorly written. There are not any clear directions or any recipes. It is written by someone whose first language is not English. It is almost gibberish. There are no quantities given just generalizations like use some yogurt to make a yogurt soap.4 of 4 people found the following review helpful. I would not recommend it.By Liz Y.This book did not actually tell you HOW to make soap. The recipes are not forthcoming on amounts of things and the book also had alot of grammatical errors. I would not recommend it.2 of 2 people found the following review helpful. Poor grammar, no pictures, bad

recipes.By CustomerMost "Recipes" are just vague suggestions.
