Mary A. McCormack : Spool Knitting before purchasing it in order to gage whether or not it would be worth my time, and all praised Spool Knitting:

0 of 0 people found the following review helpful. Creative HistoryBy LRHave been a spool knitter for decades and never knew the history behind this form of creativity. Every young creative person should read this book. Highly recommend.0 of 0 people found the following review helpful. Written in 1909 about regular knitting not for paracord knitting.By Sanddog Sailorwritten in 1909. I thought it was about spool Knitting with paracord but it's about regular knitting.0 of 0 people found the following review helpful. This is an old art that all kids need to ...By Kindle CustomerThis is an old art that all kids need to try. As a child my sister and I both learned this type of knitting.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by

the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
